New Year - New You

11:42 AM Posted by Claire

Welcome to New Year New You, filled with some great beauty products, organic items and ways to help yourselves and the environment.

Beauty Scoop is a great "Edible Beauty Accessory", just add the the drink of you choice for great beauty improvements. Treat yourself in the New Year with great Beauty.

Fabkins are great re-usable Napkins for Kids, encourage your kids to generate less waste and help our Planet. They have a bunch of different designs for all occasions.

Funky Monkey Snacks are great all natural dried fruit snacks for kids, in lots of great flavors I am sure they will be a big hit with your kids, just as they were with my Daughter.

Weiman E-Tronic Wipes are cleaning wipes that will keep TV's clean from those kiddy finger prints, they work great on our HDTV, available in Target, Kmart and True Value.

Dilmah's 100% Ceylon Teas offer quality and refreshment to anybody who is used to their ritual daily cup of tea, every glass provides known positive affects like helping to fight aging, and energy rejuvenation.

Steaz's "Spakling Green Teas" are all natural certified organic beverages, which promote energy and wellness. The world's first USDA organic and Fair Trade Certified™ energy drink and sparkling green tea.

Crispy Cat candy bars are perfect for any adult who can appreciate a healthy lifestyle for themselves or their children while satisfying their sweet tooth. These candy bars are at least 70% organic depending on which bar, and covered in delectable organic dark chocolate with crispy rice.

McSweet provides fresh, handpicked, pickled vegetables that are so delicious that most of them are eaten straight out of the jar.

Kohinoor offers instant access to healthy, ethnically fare, and restaurant quality food in mere minutes. This gourmet line of all natural, 100% vegetarian frozen food perfect for all people on the go.

La Vita Health Foods, a leader in the healthy gourmet snack food sector, has announced the launch of La Vita All Natural Crunchy Cookies, a new line of sugar- and gluten-free, low fat, dairy-free, prebiotic biscuits that are a good source of fiber.

EcoStore USA is an extension of a 20 year old New Zealand company (<http://www.blogger.com/www.ecostore.co.nz>) that makes eco friendly, plant based products that contain NO NASTYCHEMICALS(tm). A large range of products from Baby Care, Personal Care and Pet Care, to Household Cleaning Products.

"A Mother's Promise", a Facebook community supported by Evenflo, is focused on bringing moms together in a quest to keep children safe while on the road. Supporting "A Mother's Promise" is free, super simple, and only takes a moment.

BuddhiWear offers eco-friendly casual and sportswear with a flare for Yoga, Pilates, Energy Healing, the Environment, and all things Positive. They offer apparel for the entire family women, men, children, and babies. The garments are super soft, organic, green, and sweatshop labor free.

Get Buttoned Up in 2009. They have a great selection of organizers for everyone and every area of your life.

ABOUT ME

Claire

I am a Mum who moved from the UK to the USA in 2003. I have a beautiful little girl (born in 2007) and a wonderful husband. I work Full Time outside the Home. I love to network with other Moms, and find great products and most of all I love to giveaway the great products we find!
