## Celebrity fitness product #4

### Beauty Scoop

An edible beauty accessory? You betcha. Younger skin, healthy shiny hair and longer, stronger nails may be only a drink away. Plastic surgeon Dr. Michelle Yagoda created this first and only drinkable whole body infusion. The healthful peptides (amino acids) and lipids add up to create the necessary building blocks for healthy and beautiful hair, skin and nails. Fans include Ricki Lake, Jessica Hecht, Alysia Reiner and many other celebrities. Its patent-pending, all-natural formula is clinically proven to provide rapid and long-lasting results.
