BeautyScoop

An edible beauty accessory? That's right - BeautyScoop is a natural, vegetable-based "whole body beauty infusion." BeautyScoop is developed by doctors and clinically proven to be a safe and effective supplement to nourish your skin, hair and nails.

BeautyScoop is a powder that can be mixed into any beverage. Mix up one packet each day to supply your body with the essential peptides and lipids it needs to maintain beautifully healthy, shiny hair and nails. Most users report positive results within three weeks. BeautyScoop is cruelty-free and is produced in an organic-certified setting.
